Re: Updated Tariff Bulletin – 2023-01

Gibson Energy Infrastructure Partnership is issuing a revised Tariff Bulletin No. 2023-1, which will become effective on the latter of March 1, 2023 and replaces Tariff Bulletin No. 2022-1.

Please find attached the Gibson Energy Tariff No. 2023-1, issued January 19, 2023. Tariff No. 2023-1 will be effective March 1, 2023 and will replace Tariff No. 2022-1 which was effective July 1, 2022.

Should you have any questions regarding these changes, please do not hesitate to contact me @ 403-206-4202.

Regards,

A handwritten signature in blue ink, appearing to read "Ivan Burton". The signature is fluid and cursive, with a long horizontal stroke at the end.

Ivan Burton
Director, Commercial Operations
