Re: Updated Tariff Bulletin – 2026-01

Gibson Energy Infrastructure Partnership is releasing a revised Tariff Bulletin No. 2026-1, effective February 1, 2025, replacing Tariff Bulletin No. 2025-1.

Attached is the Gibson Energy Tariff No. 2026-1, issued on January 23, 2026. Gibson Energy has increased the Hardisty Delivery Service tariff to accommodate maintenance and rising operating costs.

Should you have any questions regarding these changes, please do not hesitate to contact me @ 403-781-2689.
